As a dynamic and motivated Computer Science Engineering student, I bring a fervent zeal for innovation and a commitment to excellence. My academic journey is marked by a series of achievements, including two significant internships in web development with Codsoft and Teachnook, in partnership with IIT Indore. These experiences have fortified my project management capabilities, a skillset further enhanced by a comprehensive foundation from Google Coursera. My dedication to academic success is evidenced by a flawless 10/10 GPA in the 10th grade, complemented by exceptional performances in IPE, JEE Mains, and TS EAMCET. I am poised to bring my blend of technical expertise and proven academic prowess to a forward-thinking organization.
